

Elfin

by

ECO

Elfin is a plain open weave screen or panel fabric available in twelve selected commercial colours, it is our most popular screen fabric by far.

This open weave fabric has excellent acoustic absorbing qualities, and acoustically benefits screens and wall panels alike.

Designed to be used on floor standing screens, desk dividers and sound absorbing products.

Cleaning your fabric, vacuum often, wipe clean with a damp cloth or shampoo using a proprietary upholstery shampoo.

Photographic fabric scans are not colour accurate. Fabric samples are available upon request.
